

Specialist Eating Disorders Service (SEDS)

This service is for persons with Anorexia Nervosa, Bulimia Nervosa and Eating Disorders – Not Otherwise Specified (ED-NOS - AN and BN sub-types).

Our team of specialist clinicians includes psychologists, a psychiatrist, mental health nurses and a dietitian.

We offer a range of services including assessment, treatment (individual, group and families), consultation / shared care with community and inpatient teams (medical and psychiatric) for clients of all ages and throughout the Waikato DHB region.

We also offer consultation, training and supervision for DHB staff and community services working with clients with eating disorders.

We are based at Adult Mental Health & Addictions Services, 193 London St, Hamilton.
