Notification Information specified in Health Act

Over the page you will find a list of the minimum information to be supplied when notifying suspect / confirmed cases of notifiable diseases to the Medical Officer of Health (via Public Health Unit). Note that

this does not include the newly notifiable (“non-identified basis”) STIs and does not replace any forms we send out, it is just for your information so when you are notifying the information we need is ready.

Medical Officers of Health Felicity Dumble -- Richard Wall – Richard Vipond – Richard Hoskins

After hours

MOoH 021 359 650

HPO 021 999 521
